for Lily White Flour produces a wonderfully light, tender, deliciously flavored roll.

The blending of choice Western and Michigan wheats makes Lily White a perfect family flour, and it is sold on the guarantee you will like it better for both bread and pastry baking or your money returned.

We suggest this recipe for Parker House Rolls:

Scald pint milk. Add 4 level tablespoons lard, 4 level tablespoons

sugar and 1 teaspoon salt.

When lukewarm add $\frac{1}{2}$ yeast cake dissolved in $\frac{1}{2}$ cup lukewarm

water. Add flour to make a batter and beat well; then add flour to make

a dough.

Knead thoroughly and let rise until double in size. Knead again and

cut into rolls. Let rise on board about 15 minutes, then crease with

finger, spread with melted butter, fold and put into tins. Touch sides

with butter so they will separate easily.

When they have doubled in size bake about 20 minutes in a quick

oven.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
